Date:

**MEMORANDUM TO :** Logistic Services Division  
**THROUGH :** Physical Security Branch  
**SUBJECT :** Telephone Installations

1. It is requested that telephones be installed in Rooms 2F20, 24, 28, and 30 as detailed in the attached schematic. Carpeting must be removed in rooms 2F20, 24, and 28 prior to tapping telephone lines. A survey of the area indicates that desks identified by 2-2, 2-5, and the desk sketched in are the only new taps which must be made.

2. In Room 2F30, new telephone taps must be made in the area designated by 2-2.
